SOUTH VIEW RANCH

Your Herd Bull Factory

**16th ANNUAL
RED & BLACK ANGUS
BULL SALE**

**THURSDAY, APRIL 14, 2016 ~1:30 PM
at South View Ranch, Ceylon, SK**

Welcome . . . from South View Ranch

Hello from all of us at South View Ranch and welcome to our 16th Annual Bull Sale. Thank-you for taking the time to browse through our 16th edition catalogue. Please consider this your personal invitation to join us on Thursday, April 14, 2016 for some excellent food, beverage and hospitality, but most importantly an excellent set of Red and Black Angus yearling bulls.

On offer will be a strong, powerful group of sound, functional, structurally correct bulls for heifers and cows. There are some that will work on both. They are in excellent working condition, fed for longevity and soundness. They come from sound, hard working females run in a ranch raised environment; not much pampering done around here! We breed on rotational grazing paddocks of crested/alfalfa, later moving to native pasture for the summer. After weaning, the cows go out grazing until the snow gets too deep... which didn't happen this year! They are turned onto swath or bale grazing until calving time. All our cattle are on a complete herd health program advised by Deep South Animal Clinic of Ogema, SK.

The bulls are raised naturally on their mother's milk and grass. Post weaning they received a TMR of chopped hay, corn, barley silage and a mineral package. They are housed in large areas for optimum exercise. All the bulls on offer will be semen tested, vet inspected and scrotal measured. If you are unable to attend the sale, please feel free to come anytime to have a look as sale day phones will be available or consider our sight unseen purchase program. Again this year, we will have full internet coverage with DV Auction. Call Sarah Buchanan at 519-546-3352 or email her at sbuchanan@gold-bar.com. Please make sure you have ample speed to participate online! If you have any questions or need any assistance give us a call or stop in.

We sincerely thank our many customers for your interest and support of our program. We appreciate the opportunity to work with you. We make our living from the cattle business so our customer's success is very important to us.

We look forward to visiting with you on April 14th. Hope to see you there!
