SOUTH VIEW RANCH

Your Herd Bull Factory

***18th ANNUAL
RED & BLACK ANGUS
BULL SALE***

***THURSDAY, APRIL 12, 2018 ~1:30 PM
at South View Ranch, Ceylon, SK***

Welcome... from South View Ranch

Hello from all of us at South View Ranch. It is a pleasure to welcome you to our 18th Annual Bull Sale. Thank-you for taking the time to browse through our catalogue. Please consider this your personal invitation to join us on Thursday, April 12th, 2018 for some excellent food, beverages and hospitality, but most importantly a great set of Red and Black Angus Bulls.

NEW this year is an offering of well developed 2 year old Red and Black Angus Bulls. We will be selling these bulls by video auction due to the size and power of these boys on our portable set-up. They will be on display outside the sale ring prior to the sale, so come early to have a good look.

The yearlings will come through the sale ring as we have always done in the past.

This offering is a strong, powerful group of sound, functional, structurally correct bulls for heifers and cows. There are some that will work on both. They are in excellent working condition, fed for longevity and soundness, easy to handle with nice dispositions. They come from sound, hard-working females run in a ranch raised environment. We breed on rotational grazing paddocks of crested/alfalfa, later moving to native pasture for the summer. After weaning the cows go out grazing until the snow gets too deep. All our cattle are on a complete herd health program advised by Deep South Animal Clinic of Ogema, SK.

The bulls are raised naturally on their mother's milk and grass. Post weaning they receive a balanced TMR. They are housed in large areas for optimum exercise. All the bulls on offer will be vet inspected, semen tested and scrotal measured. If you are unable to attend the sale, please feel free to come anytime to have a look as sale day phones will be available or consider our sight unseen purchase program. Again this year we will have full internet coverage with DV Auction. Please make sure you have ample speed to participate online! If you have any questions or need any assistance give us a call or stop in. Visit our website for updated information, videos and weights, etc.

We sincerely thank our many customers for your interest and support of our program. We appreciate the opportunity to work with you. We make our living from the cattle business so our customer's success is very important to us.

We look forward to visiting with you on April 12th. Hope to see you there!

A Conquer son, Red SVR Continental 112E, was Champion Junior Bull Calf at Agribition and Reserve Champion Spring Bull Calf in Denver. His sons have an average birth weight of 83 lbs. Check them out.

A bull we chose to retain in our herd for many reasons. First, his Dam 144X, never misses a beat. She is dark red, very stout, has an excellent udder and feet and is a CAA Elite/Premier Dam. 144X's sire Red SVR Knight 236T sold to Triple S Red Angus and did a super job for them. 78C has tremendous length, character, excellent feet and is dark red. His sons averaged 83 lbs on birth weight and daughters 78 lbs.
